CENTRAL OFFICE

Gentlemen:

My name is [redacted] and am currently an Apprentice in [redacted] Apprentice program. The application Fee that is currently in place ($25) has been the same fee for 25 years. It is a key point in helping offset the cost of recruitment wich can be tremendous. By no means did this nominal fee prevent me from applying for acceptance into the [redacted] As a matter of fact only serious people will apply because when you want something you go for it and you pay whats necessary. This is a dangerous job and only serious applicants need to apply and if you can't come up with a $25 fee then how serious can one be.

Sincerely,

[redacted] Apprentice [redacted]
