Disability Resource Coordination

Social Security Work Incentives and the Return to Work.....understanding the path to self-sufficiency

- This informative workshop will show you how work incentives through the Social Security Administration can help you return to work successfully, and guide you as to what programs and services you are eligible for.
- More information [HERE](#)
- Check our Events page for the next scheduled event!

Disability Resource Coordination: FREE support to job seekers with disabilities

20% of the workforce has a disability or will acquire one during their working years (ages 16-65 years).

Many job seekers with disabilities are looking for services and supports that can address their particular concerns.
