EFFECTIVE JANUARY 1, 2020: WAGES AND OVERTIME

All farmworkers, including Foreign Visa workers, must now be paid one and a half times the regular rate of pay for hours worked over 60 in a calendar week. For more information, please contact the NYS Department of Labor at **833-NY-FARMS (833-693-2767)** or www.labor.ny.gov/FarmLabor.

DAY OF REST

Employers must provide at least one day (24 consecutive hours) of rest in every calendar week. The employer must designate, and notify the worker in advance of, their day of rest and, whenever possible, ensure that the day off coincides with a traditional day for religious worship. Farmworkers are permitted to voluntarily work on the day of rest, provided the employer pays them at the overtime rate. Employers must keep a weekly record of hours and days worked. For more information, please contact the NYS Department of Labor at **833-NY-FARMS (833-693-2767)** or www.labor.ny.gov/FarmLabor.

UNEMPLOYMENT INSURANCE

Farm employers, and farm crew leaders under certain conditions, are required to provide unemployment insurance coverage for their employees. H-2A Foreign Guest Workers are excluded from unemployment insurance coverage. For more information, please contact the NYS Department of Labor at Unemployment Insurance Employer Hotline **888-899-8810**.

WORKERS' COMPENSATION

Farm employers, owners and operators are required to provide workers' compensation coverage for their employees, regardless of their annual payroll, and all employers are required to post the mandatory workers' compensation notice of compliance poster in both English and Spanish. Additionally, farm labor contractors, forepersons and supervisors who receive notice of an injury must notify the employer, owner or operator of the farm where the injury occurred, and employers are prohibited from discriminating against farm laborers who request workers' compensation claim forms. For more information, please contact the Workers' Compensation Board at **877-632-4996** or www.wcb.ny.gov.*

DISABILITY INSURANCE AND PAID FAMILY LEAVE

Farm employers, owners and operators are required to provide New York's disability benefits (DB) and Paid Family Leave (PFL) insurance coverage to eligible farm laborers. See PaidFamilyLeave.ny.gov for information on PFL employee eligibility and opt-out waivers that employers must give to those who qualify. All employers are prohibited from discriminating against employees who request DB or PFL claim forms. For more information, please call **844-337-6303**.*

*For more information and employer resources related to workers' compensation, disability benefits and paid family leave, please see the Workers' Compensation Board's Toolkit for Farm Employers at www.wcb.ny.gov/farmtoolkit.

RIGHT TO ORGANIZE

Farmworkers possess the right to organize, which includes forming, joining, or assisting labor organizations, and the right to bargain collectively through representatives of their own choosing. This includes the right to engage in concerted activities (any activity, discussion, or meeting directed at improving terms and conditions of employment, or the group interests of employees), for the purpose of collective bargaining or other mutual aid or protection, free from interference, restraint, or coercion of employers. However, farmworkers do **not** have the right to strike. Farmworkers are protected from retaliation, including termination, if they are speaking to each other about labor conditions and organizing. For more information, please contact the Public Employment Relations Board at **518-457-6410** or see perb.ny.gov.
