For interstate (out of state) applicants should apply at their local state employment agency. State employment service agency staff is encouraged to call to make a referral while the applicant is at the Job Service office during times disclosed above. Interviews will be conducted over the telephone for non locals to create less of a burden for applicants, once the employer has fulfilled their requirements of disclosing all terms and conditions of the job and received written confirmation. Participation and monitoring of the interview process by SWA staff guarantees proper disclosure of the terms and conditions and protects the

integrity of the interview process. Workers should be fully apprised by the local employment office of the terms, conditions and nature of employment prior to referral. This will enable applicants to review all the information and make an informed decision about the job and will ensure compliance with disclosure requirements. Completing an application is part of the interview process.

Workers are screened for compliance with the following criteria: a) confirm ability, availability, qualifications and willingness to perform work described and confirm intention to work the entire season, 2) local workers confirm availability of reliable daily transportation to and from the job site for the entire season. Non local workers confirm availability of transportation to job site to begin work, 3) confirmation of full disclosure of all terms, condition, and nature of work-job by local employment staff, 4) affirmative confirmation of legal qualifications to work in the US as described below. The employer may terminate the worker (foreign and/or domestic) with notification to the employment service if employer discovers a criminal conviction record or status as a registered sex offender that employer reasonably believes, consistent with current law, will impair the safety and living conditions of other workers. Workers recruited against the Job Offer from within normal commuting distance will not be provided with housing, subsistence and transportation.

Only workers legally entitled to work in the United States and who possess original identity and employment eligibility documents sufficient to complete INS Form I-9, as required by the Immigration and Nationality Act, will be permitted to complete the hiring process. Workers referred against this order should be informed that they must have these documents in their possession when they arrive at the place of employment. Provided that workers complete section 1 of form I-9, workers will have three business days to produce the required documentation to complete section 3 of form I-9, as provided in the Act. Workers not providing this documentation will not be allowed to go to work on the fourth business day of employment, or any subsequent days until the documentation is provided, as provided in the Act.

Workers may not leave trash, or other discarded items in work areas or vehicles but must dispose of such items in provided receptacles. Workers must wash hands with soap and water after all bathroom and meal breaks. Allergies to varieties of ragweed, goldenrod, insecticides, related agricultural chemicals, etc, may affect workers ability to perform the work described herein. Spears over 1/4 inch in diameter which exceed 12 inches in length will be re-broken at the butt end. Any spearhead which has begun to open will be discarded. Spears meeting harvest specifications will be placed in a straight fashion in field buckets and carried to trucks or trailers for dumping. Workers will be required to stay on their assigned row. Workers must use care while using knives to prevent injury to themselves and other works.

Peppers, Cucumbers, and Squash: Workers will bend and stoop to pick vegetables according to size, color, shape and degree of maturity and place into field containers. Workers may carry full container weighing approximately forty (40) lbs. and empty into field bin or load onto trailer. May be required to pull and discard culls as directed by supervisor. Products will then be placed into sacks or boxes and placed on trailer for transport. Workers may grade products removing bad or damaged leaves and repack for shipment. Workers will be required to stay on their assigned row. Workers must take care not to damage surrounding plants during harvest.

Farm, Field and Shed Sanitation All workers will be responsible for picking up trash, cleaning bathrooms, sweeping floors and other farm and shed sanitation duties.

Job specifications can change frequently during the season due to crop or market conditions, even on the same crop. Workers will be expected to conform to the specific instructions given by the supervisor for each days work.

GENERAL CONDITIONS APPLICABLE TO ALL CROPS: Fieldwork begins at assigned time shortly after daylight. Work is performed during light rain and in high humidity and in temperatures ranging from 100 (+) degrees to below 35 degrees F. Workers will work on their feet in bent position for long periods of time. Workers will supply their own work clothes. All the tasks in this Job Description constitute one (1) job; the employer may assign workers to different tasks on any day or to multiple tasks during the same day in the sole judgment of the employer. Workers will be lifting 35-75 lbs consistently all day. This is a very demanding and competitive business in which quality specifications must be rigorously adhered to. Sloppy work cannot and will not be tolerated.

Work specifications, can change from time to time during the season due to crop or market conditions, even on the same crop. Workers will be expected to conform to the specific instructions given for each days work.

The farm owner/supervisor or a designated employee will provide instructions and general supervision. However, workers will be expected to perform their duties in a timely and proficient manner without close supervision.

Full Growing Season Commitment: The job offered requires that the worker be available for work seven hours per day Monday through Friday and five hours on Sunday every day that work is available for the full period of employment shown in Item 9, even though work may be slack for brief periods at any point during the season. The worker agrees to be available for work and perform the assigned work for the employer whenever work is available through the full period of employment shown in Item 9. Work is required seven hours per day Monday-Friday, and five hours on Sunday. Employer will make reasonable accommodations for workers that have an issue with working on Sundays. Beginning and ending times will vary during season according to crop and weather conditions.

The worker understands that if he abandons his employment or is terminated for cause prior to the end of the period of employment he will forfeit the 34 guarantee and reimbursement of certain transportation costs described elsewhere in this job order. Excessive absences and/or tardiness, as defined in the Work Rules attached hereto, cannot be tolerated and may result in termination.

Daily individual work assignments, crew assignments, and location of work, will be made by and at the sole discretion of the farm manager and/or farm supervisor as the needs of the farming operation dictate. Workers may be assigned a variety of duties in any given day and /or different tasks on different days. Workers will be expected to perform any of the listed duties and work on any crop as assigned by the worker's supervisor.

Employers will provide tools and equipment (pruning shears, hoes, etc.) at no cost for workers to perform the above tasks. Workers will be charged for any willful (intentional damage beyond normal wear and tear) damage to or loss (negligence) of such tools and equipment. Non-mechanical tools and equipment may include ladders, shovels, hoes, tampers, pruning hooks, shears or handsaws.

When beginning a crop activity for the first time, the employer will provide instructions and/or training in the proper way to perform the crop activity. Thereafter the worker will be expected to perform the task with diligence as instructed. By the beginning of the second working day (7 hours of work completed), the employer will expect a worker engaged in a piece rate paid activity to sustain a level of productivity sufficient to earn at least the minimum hourly wage specified in Section 6 of the Fair Labor Standards Act. Workers in all activities will be expected to keep up with fellow workers, not to adversely affect the productivity of the others workers, and to perform the work in a manner specified by the employer and described herein. After the one-day (7 hour) training and acclimation period, workers who fail to meet this standard and/or who fail to perform the work in the manner specified may be terminated.

16. Wage Rates, Special Pay Information and Deductions: Harvesting specifications, in particular, can change from time to time during the season due to crop or market conditions, even on the same crop. Workers will be expected to conform to the specific instructions given for each day's work. Employer reserves the right to add a piece rate for any of the crops listed as an incentive to increase wages. Employer also reserves the right to pay by the hour rates listed as piece rates.

Instructions and general supervision will be provided by the farm owner/supervisor or a designated employee. However, field workers will be expected to perform their duties in a timely and proficient manner without close supervision.

The tasks in the crops listed below will be paid at the piece rates listed. All other work will be paid the adverse effect wage rate (AEWR) of \$10.87 per hour. Production work or hourly work will be recorded and transferred electronically or manually to payroll records for payment at the end of each pay period. Time sheets and production verification sheets will be provided to each crew the following business day. If at the end of the pay period, the piece rate does not result in average hourly piece rate earning during the pay period at least equal to the amount the worker would have earned had the worker been paid at the appropriate hourly rate of \$10.87, the employer will supplement the workers earnings so that they have earned at least the AEWR for each hour worked.

All other work will be paid the adverse effect wage rate (AEWR) of \$10.87 per hour. Employer will pay the highest of the AEWR, prevailing wage, the agreed-upon collective bargaining wage or the Federal or State minimum wage will become the guarantee in the event DOL promulgates a new AEWR during the recruitment or work contract period. In the event that the Department Of Labor promulgates a new AEWR applicable to any portion of the period of employment covered by this job order which is higher or lower than the AEWR herein, the employer will pay the higher AEWR, and may, at the employer's discretion pay the lower AEWR, beginning with the effective date of the new AEWR.

All domestic and/or nonresident seasonal farm workers employed pursuant to this job order who satisfactorily completed the previous crop season may be compensated above the stated hourly wage rate. This is not promised or guaranteed. The decision to pay above the stated rates will be made by the employer, at their sole discretion, and will be based on factors including the recipients' performance and tenure.

A). The employer will make the following deductions from the Worker's wages: FICA taxes, State (if applicable) and Federal income tax as required by law. Workers will be charged for the following: cash advances and repayment of loans, repayment of overpayment of wages to the worker, payment for articles which the Worker has voluntarily purchased from the Employer, long-distance telephone charges, recovery of any loss to the Employer due to the Worker's damage (beyond normal wear and tear) or loss of equipment or housing items where it is shown that the Worker is responsible, and any other charges expressly authorized by the Worker in writing. No deduction not required by law will be made that brings the worker's hourly earnings below the statutory federal or state minimum wage. There may be deductions that reduce your pay below the stated contract wage; but will not reduce your pay below Federal or State Minimum Wage, whichever is higher. FICA, State and Federal taxes will not be deducted from those worker's wages that are working under a temporary, agricultural visa unless it is discovered that it is a requirement or if the worker requests withholding.

B). Employers guarantee to offer employment for the hourly equivalent of 3/4 of the workdays of the total specified period during which the work contract and all amendments thereof are in effect, beginning with the first workday after the workers' arrival at the assigned Grower's farm, ready, willing, able, and eligible to work and ending on the expiration date specified in the work contract and all extensions thereof or upon the termination of this employment as provided below. For purposes of this guarantee, a "workday" consists of seven hours Monday-Friday and five hours on Sunday. The worker is not required to work on his Sabbath or on federal holidays which are New Year's Day, January 1; Martin Luther King, Jr.'s birthday, the third Monday in January; Presidents Day, the third Monday in February; Memorial Day, the last Monday in May; Independence Day, July 4; Labor Day, the first Monday in September; Columbus Day, the second Monday in October; Veteran's Day, November 11; Thanksgiving Day, the fourth Thursday in November, and Christmas Day, December 25. On certain of these days, work may be available. If the worker at the conclusion of his work agreement has been afforded less employment opportunity than required under this provision, the

worker will be paid at his average hourly rate for the hours, in addition to those actually offered, up to the hourly equivalent of the guaranteed number of days. In determining whether the guarantee of employment has been met, any hours which the Worker fails to work during a workday, when the Employer offers him the opportunity to work, and all hours of work actually performed shall be counted toward meeting this guarantee.

C). This employment guarantee shall be terminated before the end of the Period of Employment if the services of the workers are no longer required for reasons beyond the control of the Employer due to fire, frost, flood, drought, hail, other Act of God which makes fulfillment of this contract impossible. In such cases, the employer will make efforts to transfer worker to other comparable employment acceptable to worker. If such transfer is not effective, workers will be returned at Employer's expense to the place from which Worker, without intervening employment, came to work for employer. In the event of such termination, the 3/4-guarantee period ends on the date of termination. The guarantee shall be void from the beginning should the Worker voluntarily abandon this employment before the end of the contract period or in the event the Worker is terminated for a lawful job-related reason, and the employer notifies the NPC, and DHS in the case of an H-2A worker, in writing or by any other method specified by the Department or DHS in a manner specified in a notice published in the Federal Register not later than 2 working days after such abandonment occurs and this will relieve the employer from subsequent transportation and subsistence costs and the 3/4th guarantee.

D). Workers will be paid weekly with a one week delay on Fridays.

E). Employer will provide a worker referred through the SWA Interstate System forty (40) hours of work for the week beginning with the anticipated date of need, unless the employer has amended the date of need by notifying the local employment service office at least 10 working days prior to the original date of need. If the employer fails to notify the order-holding office, then employer shall pay an eligible worker referred through the interstate clearance system \$10.87 per hour for the first week, starting with the original anticipated date of need. 40 hrs x \$10.87 = \$434.80 Gross (before taxes). The employer may require the worker to perform alternative work if the guarantee cited in this section is invoked. If the worker fails to notify the order-holding office of his continuing interest in the job no sooner than nine working days and no later than five working days before the date of need, the worker will be disqualified from the above-mentioned assurance.
