A: CLARIFICATION OF ITEMS ON FORM ETA 790

Item 3: Housing

- a. Housing and utilities are provided at no cost to H-2A workers and those workers in corresponding employment who are unable to return to their place of residence the same day.
- b. Housing beds, bedding and mattresses will be furnished at no cost to the workers.
- c. Housing will be clean and meet the applicable federal and State housing standards.
- d. Workers will be responsible for maintaining housing and surrounding areas in a neat, clean manner.

Item 15: Job Specifications

- a. Workers must be able to demonstrate that they are physically able to perform the work as described.
- b. Employer may terminate worker with timely notification to the NPC and DHS, if the worker:
 - 1) Refuses, without cause, to perform work for which the worker was recruited and hired;
 - 2) Commits serious acts of misconduct; or
 - 3) Abandons Job ("Job Abandonment") – is absent for five consecutive previously scheduled days without prior notification to employer.

Item 16: Wage Rates, Special Pay Information and Deductions

The employer will offer, advertise in its recruitment, and pay a wage that is the highest of the AEW, the prevailing hourly wage or piece rate, the agreed upon collective bargaining wage, or the Federal or State minimum wage, except where a special procedure is approved for an occupation or specific class of agricultural employment. Employer assures that if a change in the AEW requires an increase such increase will be paid as of the effective date of the increase. Also if the AEW is decreased this will become the wage effective of the date of the decrease.

- a. If piece rate earnings for total hours of work at a piece-rate during a pay period do not result in average hourly earnings equal to the guaranteed minimum hourly rate, the worker will receive make-up pay to the guaranteed minimum wage rate.
- b. In New York State, the only deductions that can be taken from worker pay are:
 1. Those required by law, such as Social Security, income tax, and garnishment of wages;
 2. those that benefit workers and are authorized in writing, such as life insurance, or a savings account

Any other deductions are illegal.

Employer: Greg Donaldson Farm, LLC

- c. The employer guarantees to offer employment for a minimum of $\frac{3}{4}$ ("three fourths guarantee") of the hours in the workdays during the period of the contract, and all extensions thereof. This guarantee begins with the first workday after the worker's arrival at the place of employment and ends on the date specified on the job order or extensions thereof. In fire, weather or Act of God terminations (as determined by the Certifying Officer) the $\frac{3}{4}$ guarantee period ends on the date of termination. The employer must make efforts to transfer the worker to other comparable employment acceptable to the worker, consistent with existing immigration law, as applicable. If such a transfer is not affected, the employer must (1) return the worker, at the employers expense, to the place from which the worker (disregarding intervening employment) came to work for the employer, or transport the worker to the workers next certified H2A employer, whichever the worker prefers (2) reimburse the worker the full amount of any deductions made from the workers pay by the employer for transportation and subsistence expenses to the place of employment; and (3) pay the worker for any costs incurred by the worker for transportation and daily subsistence to that employers place of employment. Daily subsistence must be computed as set forth in paragraph (h) of the section. The amount of the transportation payment must not be less (and is not required to be more) than the most economical and reasonable common carrier transportation charges for the distances involved provide the guarantees in Item 17 (a) below.
- d. Workers will not be required to work more than the number of hours specified in the job order for a workday or on their Sabbath or federal holidays to meet this guarantee. The worker's average hourly earnings will be used under this guarantee where wages are paid on a piece rate basis. Workers who are terminated for cause or who voluntarily abandon their job are not entitled to this guarantee if employer provides timely notification to the NPC and DHS.
On or before each payday the employer will provide to each worker in one or more written statements the following information: (1) the workers total earnings for the pay period; (2) the workers hourly rate and/or piece rate of pay; (3) the hours of employment offered to the worker (showing offers in accordance with the $\frac{3}{4}$'s guarantee as determined in paragraph (i) of the regulations at 20 CFR sec. 655.122(k), separate from any hours offered over and above the guarantee); (4) the hours actually worked by the worker; (5) an itemization of all deductions made from the worker's wages; (6) if piece rates are used, the units produced daily; (7) beginning and ending dates of the pay period; (8) the employer's name, address, and FEIN.
- e. Workers with school age children who have migrated with such children and who depart in time to return home for the beginning of the school year shall be paid, in addition to the basic wages, any bonus or other incentive payments or other expenses to which they would be entitled had they stayed the entire job order period.

Employer will not be responsible for providing return cost of transportation and subsistence from place of employment to place of recruitment if the worker voluntarily abandons the job or is terminated for cause and employer provides timely notification to the NPC and DHS.

The amount of the transportation payment will be equal to the most economical and reasonable similar common carrier transportation charges for the distance involved. All transportation provided by the employer will be by common carrier or other transportation facilities which conform to the applicable regulations of the Interstate Commerce Commission or the United States Department of Labor. 6. The employer assures that if acting as a farm labor contractor (FLC) or farm labor contractor employee (FLCE) on the order, he has a valid federal FLC certificate or FLCE identification card.
7. The applicant assures that he/she complies with NJ registration requirements. Farm labor contractors anticipating employment contracting with growers or processors in New York State, growers or processors in New Jersey who use the services of a farm labor contractor, and growers or processors in New Jersey who, without using the services of a farm labor contractor, are responsible for bringing into the state five or more out-of-state migrant farm or food processing workers, including H-2A workers, are required to register with the New Jersey State Department of Labor and pay a registration fee in addition to any other fees that may be applicable.
