Item 16: Wage Rates, Special Pay Information and Deductions

- b. In New York State, the only deductions that can be taken from worker pay are:
 1. Those required by law, such as Social Security, income tax, and garnishment of wages;
 2. those that benefit workers and are authorized in writing, such as life insurance, or a savings account

Any other deductions are illegal. This includes deductions:

thereof. In Act of God terminations, the $\frac{3}{4}$ guarantee period ends on the date of termination. Workers will not be required to work more than the number of hours specified in the job order for a workday or on their Sabbath or federal holidays to meet this guarantee. The worker's average hourly earnings will be used under this guarantee where wages are paid on a piece rate basis. Workers who are terminated for cause or who voluntarily abandon their job are not entitled to this guarantee if employer provides timely notification to the NPC and DHS.

- d. Workers with school age children who have migrated with such children and who depart in time to return home for the beginning of the school year shall be paid, in addition to the basic wages, any bonus or other incentive payments or other expenses to which they would be entitled had they stayed the entire job order period.

- b. Employer will provide or pay the cost of return transportation and subsistence to each worker who completes the employment period, or who is terminated for medical reasons, or as the result of an Act of God, from place of employment to place of recruitment, except if the worker is not returning to his place of recruitment and had subsequent employment with an employer who will bear transportation expenses, in which case this employer only pays for the transportation to the next job.
- c. Employer will not be responsible for providing return cost of transportation and subsistence from place of employment to place of recruitment if the worker voluntarily abandons the job or is terminated for cause and employer provides timely notification to the NPC and DHS.
- d. The amount of the transportation payment will be equal to the most economical and reasonable similar common carrier transportation charges for the distance involved. All transportation provided by the employer will be by common carrier or other transportation facilities which conform to the applicable regulations of the Interstate Commerce Commission or the United States Department of Labor. If requested by the worker, the employer will assist in making transportation arrangements.
