Item 16: Wage Rates, Special Pay Information and Deductions

- a. If piece-rate earnings for total hours of work at a piece-rate during a pay period do not result in average hourly earnings equal to the guaranteed minimum hourly rate, the worker will receive make-up pay to the guaranteed minimum wage rate.
- b. In New York State, the only deductions that can be taken from worker pay are:
 1. Those required by law, such as Social Security, income tax, and garnishment of wages;
 2. those that benefit workers and are authorized in writing by the worker, such as life insurance, or a savings account.

Any other deductions are illegal. This includes deductions:

Workers will not be required to work more than the number of hours specified in the job order for a workday or on their Sabbath or federal holidays to meet this guarantee. The worker's average hourly earnings will be used under this guarantee where wages are paid on a piece-rate basis. Workers who are terminated for cause or who voluntarily abandon their job are not entitled to this guarantee if employer provides timely notification to the Chicago National Processing Center (CNPC) and Department of Homeland Security (DHS).

- d. Workers with school age children who have migrated with such children and who depart in time to return home for the beginning of the school year shall be paid, in addition to the basic wages, any bonus or other incentive payments or other expenses to which they would be entitled had they stayed the entire job order period.

- b. Employer will provide or pay the cost of return transportation and subsistence to each worker who completes the employment period, or who is terminated for medical reasons, or as the result of an Act of God, from place of employment to place of recruitment, except if the worker is not returning to his place of recruitment and had subsequent employment with an employer who will bear transportation expenses, in which case this employer only pays for the transportation to the next job.
