- b. Housing beds, bedding and mattresses will be furnished at no cost to the workers.
- c. Housing will be clean and meet the applicable federal and State housing standards.
- d. Workers will be responsible for maintaining housing and surrounding areas in a neat, clean manner.

Item 15: Job Specifications

- a. Workers must be able to demonstrate that they are physically able to perform the work as described.
- b. Employer may terminate worker with notification to the New York State Department of Labor, if the worker:
 - 1) Refuses, without cause, to perform work for which the worker was recruited and hired;
 - 2) Commits serious acts of misconduct; or
 - 3) Fails, after completing any training or break-in period, to reach production standards
 - 4) Abandons Job ("Job Abandonment") – is absent for five consecutive previously scheduled days without prior notification to employer.

Item 16: Wage Rates, Special Pay Information and Deductions

- a. If piece rate earnings for total hours of work at a piece-rate during a pay period do not result in average hourly earnings equal to the guaranteed minimum hourly rate, the worker will receive make-up pay to the guaranteed minimum wage rate.
- b. In New York State, the only deductions that can be taken from worker pay are:
 1. Those required by law, such as Social Security, income tax, and garnishment of wages;
 2. those that benefit workers and are authorized in writing, such as life insurance, or a savings account

Any other deductions are illegal. This includes deductions:

 - (or deposits) for tools, boots, raincoats, or uniforms necessary for the job
 - As fines or penalties for being late, misconduct or quitting without giving notice
 - For cash shortages
 - For spoilage or breakage; or
 - For damages or losses of any kind.

- c. The employer guarantees to offer employment for a minimum of $\frac{3}{4}$ ("three fourths-guarantee") of the hours in the workdays during the period of the contract, and all extensions thereof. This guarantee begins with the first workday after the worker's arrival at the place of employment and ends on the date specified on the job order or extensions thereof. In Act of God terminations, the $\frac{3}{4}$ guarantee period ends on the date of termination. Workers will not be required to work more than the number of hours specified in the job order for a workday or on their Sabbath or federal holidays to meet this guarantee. The worker's average hourly earnings will be used under this guarantee where wages are paid on a piece rate basis. Workers who are terminated for cause or who voluntarily abandon their job are not entitled to this guarantee if employer provides timely notification to the NPC and DHS.
- d. Workers with school age children who have migrated with such children and who depart in time to return home for the beginning of the school year shall be paid, in addition to the basic wages, any bonus or other incentive payments or other expenses to which they would be entitled had they stayed the entire job order period.

Item 17: Transportation

- a. Employer agrees to reimburse inbound transportation and subsistence expenses (\$10.64 per day minimum to a maximum of \$46.00) to each worker, or any person, government agency or private organization which, on behalf of the worker has paid or advanced such transportation and subsistence expenses, from the residence, place of last employment or place of recruitment to the job site after the worker has completed 50% of the stipulated period of employment, from initial date of need or from the day after actual arrival of worker if later than the stated date to report.
- b. Employer will provide or pay the cost of return transportation and subsistence to each worker who completes the employment period, or who is terminated for medical reasons, or as the result of an Act of God, from place of employment to place of recruitment, except if the worker is not returning to his place of recruitment and had subsequent employment with an employer who will bear transportation expenses, in which case this employer only pays for the transportation to the next job.
- c. Employer will not be responsible for providing return cost of transportation and subsistence from place of employment to place of recruitment if the worker voluntarily abandons the job or is terminated for cause and employer provides timely notification to the NPC and DHS.
- d. The amount of the transportation payment will be equal to the most economical and reasonable similar common carrier transportation charges for the distance involved. All transportation provided by the employer will be by common carrier or other transportation facilities which conform to the applicable regulations of the Interstate Commerce Commission or the United States Department of Labor. If requested by the worker, the employer will assist in making transportation arrangements. The amount of daily subsistence will be in accordance with current rates published in the *Federal Register* (for workers with and without receipts).
- e. Employer will provide transportation, at no cost to the worker, from the employer provided housing to the actual work site and return at the end of the day.

Item 21: Tools and Equipment

The employer will furnish without cost all tools, supplies, or equipment required in the performance of work.
