Nor does any job order accepted or recruited upon by the One-Stop Career Center constitute a contractual job offer to which the One-Stop Career Center, ETA or a State agency is in any way a party.  
**LEA CON CUIDADO.** En vista de la función básica del Servicio de Empleo establecida por ley, como una entidad de intercambio laboral sin comisiones, es decir, como un foro para reunir a los empleadores y los solicitantes de empleo, ni ETA ni las agencias del estado pueden garantizar la exactitud o veracidad de la información contenida en las órdenes de trabajo sometidas por los empleadores. Ni ninguna orden de trabajo aceptado o contratado en el Centro de Carreras (One-Stop Career Center) constituyen una oferta de trabajo contractuales a las que el One-Stop Career Center, ETA o un organismo estatal es de ninguna manera una de las partes.

The public need not respond to this collection of information unless it displays a currently valid OMB Control Number. This is public information and there is no expectation of confidentiality. Send comments regarding this burden estimate or any other aspect of this collection, including suggestions for reducing this burden, to the U.S. Department of Labor, Migrant and Seasonal Farmworker Program, Room S4209, 200 Constitution Avenue, NW, Washington, DC 20210.

ETA-790 – Attachments - Other Conditions of Employment

1. **Work Period:** Employer guarantees to offer employment for a minimum of ¼ of the workdays of the total specified period during which the work contract and all extensions thereof are in effect, beginning with the first workday after worker's arrival at the place of employment and ending on the expiration date specified in the work contract or extensions thereof. In Act of God terminations, the ¼ guarantee period ends on the date of termination.

Employer will provide worker referred through the interstate clearance system 36 hours of work for the week beginning with the anticipated date of need unless the employer has amended the date of need by notifying the local office no later than 10 days before the date of need. If employer fails to notify the order-holding office, then the employer shall pay an eligible worker referred through the clearance system \$ 10.34/hr for the first week starting with the originally anticipated date of need. Employer will \_\_\_\_\_ will not  require the worker to perform alternative work if the guarantee cited in this section is invoked. The alternative work and pay are:

---

Additional hours of work, i.e. on the Sabbath or holidays may be offered but not required.

If referred worker fails to notify the order-holding office of continued interest in the job at least 5 days before date of need, worker will be disqualified from the above-mentioned assurance.

2. **Contract Impossibility:** The employer will terminate the work contract of any worker whose services are no longer required for reasons beyond the control of the employer due to fire, weather, or other Act of God as determined by the CO. In the event of such termination, the employer will be bound by the ¼ guarantee from the first workday after arrival to the date of termination. Employer will make efforts to transfer worker to comparable employment consistent with immigration law or will provide or pay for reasonable costs of return transportation and subsistence to place of recruitment. Employer will reimburse worker the full amount of any deductions made from worker's pay for transportation and daily subsistence expenses to place of employment and pay worker for any costs incurred by worker for transportation and daily subsistence to place of employment.

3. **Insurance:** Worker will be covered by Workers Compensation Insurance or equivalent employer provided insurance for injuries arising out of and in the course of employment. Employer's proof of insurance coverage will be provided to the Regional Administrator before certification is granted. Additionally, should my worker's compensation insurance policy expire during the work contract period, I will renew my worker's compensation insurance policy to cover the workers.

4. **50% Rule Exemption:**  Applies  Does not Apply. When applicable, the employer did not, during any calendar quarter, use more than 500 man-days of agricultural labor, is not a member of an association which has applied for alien labor, and has not "associated" with other employers applying for alien labor.

5. **Employer Obligation If Employment is Extended:** No extension of employment beyond the period of employment specified in the job order shall relieve the employer from paying the wages already earned, or, if specified in the job order as a term of employment, providing return transportation or paying return transportation expenses to the worker.

7. **Work Agreement:** A copy of the contract of the work agreement or ETA 790 and attachments will be provided to the worker no later than on the day the work commences.

8. **Wage Statements:** Employer will furnish to the worker on or before each payday written statements showing the hours worked by the worker and the worker's total earnings for the pay period. Such statements will comply with 20 CFR 655.122.

Initialed: MyJ

**9. Equipment Damage/Misuse:** Workers will be responsible for proper use of equipment. Repair costs of damaged equipment due to misuse, carelessness, or not following instructions will be deducted from worker's earnings. Deductions cannot cause worker's pay to fall below FLSA minimum.

**10. Proof of Citizenship:** All workers hired under this order will be required to provide documentation attesting the US citizenship or legal status to work in the US.

**11. Request for Conditional Access:** Employer requests conditional access into the Interstate and Intrastate Clearance System and assures that the worker housing will meet the applicable Federal Standards no later than 30 days in advance of the date of need reflected on the ETA 790.

**12. Number of Workers:** The employer anticipates the total number of workers to be used in this occupation to be 10, of which 10 will be H-2A workers for which certification is requested; the balance will be domestic workers. These numbers are estimates as total workforce needs are dependent upon weather, crop conditions, and worker availability.

**13. Wage Rate:** Absent a special procedure, offered wage(s) is the highest of the AEW, the prevailing hourly or piece rate, the agreed-upon collective bargaining wage, or the Federal or State minimum wage in accordance with 20 CFR 655.120 (a). In the event the AEW increases or decreases during the contract period, the employer will pay the highest of the rates in effect at the time work is performed.

**14. Abandonment of employment:** If the worker voluntarily abandons employment before the end of the contract period, or is terminated for cause, and the employer notifies the CNPC, and DHS in the case of an H-2A worker, in writing or by any other method specified by the Department or DHS in a manner specified in a notice published in the Federal Register not later than 2 working days after such abandonment occurs, the employer will not be responsible for providing or paying for the subsequent transportation and subsistence expenses of that worker under this section, and that worker is not entitled to the three-fourths guarantee. Abandonment will be deemed to begin after a worker fails to report for work at the regularly scheduled time for 5 consecutive working days without the consent of the employer.

**15: Termination for Cause:** Employer may terminate the worker with notification to the CNPC & USCIS if the worker (a) refuses without justified cause to perform work for which the worker was recruited and hired, (b) commits a serious act of misconduct, or (c) fails, after completing any training or break-in period, to reach production standards when production standards are applicable.

In such event, the worker will not be entitled to return transportation and daily subsistence nor to the application of the  $\frac{3}{4}$  guarantee of employment.

**16. Housing:** Employer will provide sufficient housing that meets the applicable standards at no cost to H-2A workers and those workers in corresponding employment who are not reasonably able to return to their residence within the same day. Employee will be responsible for and damage to housing other than normal wear & tear.

**17. Other:** The employer agrees to abide by the regulations in 20 CFR 653.107, 20 CFR 655.135, Assurances, and 20 CFR 653.501. The working conditions will comply with applicable Federal and State minimum wage, child labor, social security, health and safety, farm labor contractor registration, and other employment related laws. The employer is an Equal Employment Opportunity employer and will offer US workers at least the same opportunities, wages, benefits, and working conditions as those which the employer offers or intends to offer to non-immigrant workers.

Employer will provide, at no cost to the worker, effective means of communication with persons capable of responding to worker's needs in the event of an emergency.
