

New York State Department of Labor's Online Tools

Selected resources from the EUC orientation video

Visit our website at www.labor.ny.gov for information and tools to help you in your job search.

To get started:

- From our homepage, click “Find a Job” on the right hand side. This will take you to our main job search information page. From there, you can also expand and click on the links on the left hand side of the page to learn more about job search tips, career development information and other services we offer at the Department of Labor.

Below are some tools we talked about along with the direct links for your convenience:

- **New York's Job Bank** – ny.jobs
 - Search job listings
 - Post your resume
 - Receive e-mails about job listings
