

May Youth Issues Webinar Follow-Up

Topic	OSOS Tips and Tricks for Youth Program Data Entry
Presenter	NYSDOL Program Development and Systems Units
Date/Time	Wednesday, May 16, 2018 at 9:30 am
Length of recording	90 Minutes
Description	<p>The One-Stop Operating System (OSOS) is the case management system used to track services provided to customers in the workforce system. Complete and accurate data entry in OSOS assists staff with coordinating service delivery and making appropriate referrals.</p> <p>Please join us to discuss some tips and tricks for entering youth information in OSOS. We will provide guidance on some of the frequently asked questions and tips for youth data entry. This webinar will be useful for beginner and expert users alike. If you haven't already, please review:</p> <ul style="list-style-type: none">• OSOS Youth Eligibility Guide (2017)• Youth Service Types and Outcomes - Changes in OSOS (09/20/2017): Presentation Webinar Recording & Resources
